

## 2010 PASER Training

Michigan's Transportation Asset Management Council (TAMC) has again contracted Michigan's Local Technical Assistance Program to conduct the annual PASER training for **anyone participating in and being reimbursed** by TAMC in 2010 for federal aid pavement condition rating or non-federal aid local pavement condition rating.

### Who Needs To Attend?

At the January 27, 2010 meeting of the TAMC Data Committee, the following motion was passed regarding reimbursement for PASER data collection.

"Anyone who intends to participate in the TAMC PASER condition data collection during 2010 on either the federal aid or non federal aid system, and expects to be reimbursed by the TAMC for their effort, must attend the 2010 PASER Classroom Training Session.

New raters, or others that did not actively rate in 2008 or 2009, must also attend the 2010 PASER Webinar Training."

Note - New raters need to attend the PASER Webinar prior to attending the Classroom Training.

### Registration

All participants **MUST** register in advance for the training. Space is limited.

### Cost for Classroom Session

To eliminate expense and payment to the facilities for no shows, there will be a cost recovery fee of \$10 for all public agency participants. This fee will not be refunded for no-shows or cancellations within 72 hours of the start of the session. This fee, travel and training time is reimbursable through your agency's planning organization.

There is a \$20 fee for participants from non-Act 51 agencies or private companies. This fee will not be refunded for no-shows or cancellations within 72 hours of the start of the session.

Break refreshments are included.
